

# Class 3s's Curriculum Newsletter

## Under the Canopy

### Theme Overview

"Under the Canopy" is a thematic unit, based on the rainforest with a key focus on geography and history. Pupils are commissioned to work for a fictitious organisation called 'Roots' in helping two adopted children find out about their Mexican / Mayan heritage and, as a result, find out more about the rainforest.

### Maths

Class 3 will be focussing fractions and decimals especially in the context of money and making accurate measurements of mass and capacity. Year 4s will be doing lots of times table practice in preparation for the National Year 4 Multiplication Check in June.

### Literacy

We will be learning how to write non-chronological reports. Our punctuation lessons will focus on using commas for clauses and apostrophes. We are also working on writing longer, more complex sentences.

### Science

Plants

### Art

Observational Drawing  
Face and Body Painting
