

Class 4 Newsletter April 2023

Welcome Back

I hope you all had a lovely Easter holiday. This is going to be a very busy term for Class 4. We have some visitors planned, the coronation, a Leavers Assembly, May Day, and SATS just for starters!

Creative Curriculum

This term our units of work will be about **Global Warming, Been Around the World and The Fighting Footballer**. We will cover a range of topics regarding the environment, pollution and climate change in the first topic. This will be followed by a human geography unit looking at settlements and emigration. Finally, we will be studying the life of Walter Tull.

English

As in previous years, we will cover many areas of literacy – writing, reading, spelling and grammar.

This term we will be focusing on different writing genres especially poetry and descriptive and narrative writing.

We will continue to read a range of genres in class-based guided reading activities and will be concentrating on the skills of inference and author's intent.

There will be a weekly spelling test based on the requirements of the new National Curriculum and phonics.

Maths

We will follow the usual units of work but with a particular emphasis on number processes and application of knowledge through problem-solving. We will also be covering work relating to data handling and averages.

Science

Materials

This term we will complete all work relating to materials. This will include looking at their properties, uses and changes.

Electricity

We will look at how electricity travels, conductors and insulators and circuits.

Reminders to Students

- Bring your PE kit and book bag every day.
- Please bring a water bottle every day.

RE

This term we will be looking at life Buddhism and Judaism.

Homework

Spellings

Due Monday morning

Thursday

English due
