

# ROTHERSTHORPE SCHOOL COUNCIL: WORKING HARD FOR YOU! 2019-2020

# PERSEVERANCE AND PRACTICE!

- We would like to hear your stories about the time you persevered and were able to overcome a problem or learnt something new.
- We are going to design some posters to go around school and on the toilet doors to remind you that you can persevere and become better at something, if you practice.
- We are going to encourage people in our classes to persevere, especially if they are looking like they are going to give up.

# HOW DO WE MAKE FASTER PROGRESS IN MATHS?

- Here are some of our ideas:
- We could set timers to complete tasks.
- Not be sitting with our friends, especially if we talk to them.
- Make a commitment not to copy from the people around us, to think for ourselves and get our brain engaged in the lesson.
- Not get distracted as this slows down our learning.
- Let us know your ideas please!

# PROMOTING WELLBEING!

- We would like to remind others not to spend too much time on different devices. This includes: ipads, Xboxes and phones.
- Remember to look forward to things, like holidays, parties, Christmas.
- Think about the consequences of your actions, being positive, kind and helpful will make people around you positive, kind and helpful.

# HOW DO WE BECOME PART OF THE LOCAL COMMUNITY?

- We would like to organise a litter pick around the village, when the weather becomes a bit nicer.
- We would like to promote events that are held in the church and the village hall, maybe doing posters or leaflets to post through doors.
- We were thinking of also promoting things that FORS organise.
- The school and church are the heart of this community.

# HOW DO WE BECOME A GLOBAL CITIZEN?

- We could team up with the Eco-Council, if they need any extra help.
- If someone is going on holiday. They could take a poster about the environment with them and put it up.
- We are asking people not to use too much plastic, but if they do, make sure that it is recycled.

# A FEW WORDS TO DESCRIBE OUR SCHOOL!

- Top-notch!
- A really good place to learn!
- Five-stars.
- We are extraordinary.
- We are hardworking.
