Dear Parents, We've had a very busy couple of weeks installing a new IT system; moving from our server to 'the cloud' and we are now using Google. The IT upgrade went well, but we had quite a bit of disruption to the internet and laptops. We are just waiting on pupil laptops to be set-up with logins from our Trust. Please check your emails are going to your wanted email addresses and both parents. Thank you.
Kind regards, **Mrs Fountain, School Staff, Governors & Trust.**
